## HEPATITIS A AWARENESS SESSION

An awareness session on Hepatitis A was conducted in the college to educate students about the disease, its causes, symptoms, prevention, and treatment. A medical expert addressed the students, explaining that Hepatitis A is a liver infection spread mainly through contaminated food and water.

Emphasis was laid on proper hygiene, safe drinking water, and vaccination.

To engage students creatively, poster-making and slogan-writing competitions were also organized. Students actively participated, showcasing their understanding and spreading strong messages through visuals and words. The event concluded with a Q&A session. Overall, it was informative and successfully raised awareness among students.

## Induction cum Interaction session with the new students of 1st year session (2025-26)

The college organized an induction programme to warmly welcome the newly admitted students and familiarize them with the campus environment. The event began with a welcome address by the Principal, who congratulated the students on securing admission and emphasized the importance of discipline, hard work, and active participation in academic and extracurricular activities.

Following the Principal's address, faculty members from various departments introduced students to the college's structure, rules, and support systems. Teachers also provided detailed insights into the various student clubs, such as the Road Safety Club, Sports Club, RRC Club, NSS, and technical societies, encouraging students to participate actively and enhance their overall personality.

The session aimed to make students feel comfortable and confident as they began their new journey. It concluded with an interactive Q&A session where students clarified their doubts and expressed their excitement about the opportunities ahead.
